

MISPERCEPTION EVERYONE IS LISTENING TO PANDORA/SPOTIFY/ SATELLITE

Despite numerous audio options, radio continues to play an important role for music, entertainment and information. Radio touches the lives of millions of consumers every week in the U.S. – regardless of the platform or device being used. Radio engages more people each week than any other audio option.

RADIO IS THE #1 AUDIO OPTION

Despite numerous audio options, radio continues to play an important role for music, entertainment and information. Radio touches the lives of millions of consumers every week in the U.S. – regardless of the platform or device being used. Radio engages more people each week than any other audio option.

RADIO REACHES MORE ADULTS 25-54 THAN ANY OTHER AUDIO SOURCE:

(Source: Scarborough USA+ 2018 Release 1)

 AM/FM RADIO 92%

 PANDORA 36%

 SATELLITE 15%

 SPOTIFY 15%

pandora®

BROADCAST RADIO
